### Company

Commerz Systems (CS) is an independent IT company that plays a key role in the success of the Commerzbank Group as the central service provider for application development and operation.

Together with the more than 740 employees at the Eschborn, Bremen, Prague and Lodz locations, Commerz Systems offers a broad range of services in the fields of software development, maintenance, and IT operations. Technologically, the entire spectrum of current software architecture – from the established mainframe to highly specialized web applications and apps – is covered. Commerz Systems supports the private, entrepreneurial, and corporate customer business as well as all central functions of Commerzbank.

### Employee benefits

- English and German courses
- Technical trainings and workshops
- Medical care package
- Modern canteen and lunch at premises
- And others...
